Warranty Statement

Article 1 –Warranty Statement

- 1.1 Warranty Period: The warranty coverage commences from the date of purchase by the end user, as evidenced by a valid purchase receipt or other proof of purchase.
- 1.2 Coverage Scope: This warranty exclusively covers malfunctions or defects arising from standard usage conditions. It does not cover issues caused by misuse, accidents, unauthorized modifications, or external factors such as environmental conditions.
- 1.3 Repair Turnaround Time: For warranty repairs, the target Turn Around Time (TAT) is approximately 10 working days, calculated from the day Newland AIDC's repair facility in Newland AIDC or Newland AIDC authorized service center receives the defective device.
- 1.4 Shipping for Repairs: Newland AIDC will bear the cost of return shipping to the end user for devices repaired under warranty. The end user is responsible for the cost of shipping the device to our repair facility.

Article 2 –Warranty Exclusion Statement

This warranty does not cover the following conditions, including but not limited to:

- 2.1 Unauthorized Modifications: Any product that has been altered, modified, or repaired by anyone other than Newland AIDC service personnel or its authorized representatives.
- 2.2 Third-Party Damages: Defects or damages directly or indirectly caused by third parties, including but not limited to repairs or modifications made by unauthorized service organizations.
- 2.3 Improper Use: Any defect, failure, or damage that Newland AIDC determines to have resulted from improper operation, misuse, abuse, or non-compliance with the product's operating instructions.
- 2.4 External Causes: Any defect or damage resulting from external factors such as natural disasters (including, but not limited to, floods, earthquakes, and fires), accidents, or man-made events (such as wars, riots, or vandalism).
